New this Year: Case Studies

We will have members of the audience present case studies or new innovations for urology nursing. You will vote on the best presentation and a $100 will be awarded to the winner!

HANDS ON

If you perform in-office procedures you don't want to miss this conference!

We will have 2 hands on presentations.

Reprocessing Equipment
Are you familiar with the Spaulding Classification System?
When do you need High-level Disinfection vs Sterilization?
Is your office safe? OSHA standards for Cidex will be discussed.

Equipment Setup for Office Surgeries
Does your office perform cystoscopies, vasectomies, prostate biopsies...?
Who performs the equipment setup? Are they properly trained in sterile fields?
Are you using Nitrous Oxide?
Don't miss this session as we discuss best practices for your patients.
